

The Canadian Institute for Non-Destructive Evaluation (CINDE) is Canada's not-for-profit, member-based, technical society for the people and companies involved in non-destructive testing (NDT), non-destructive evaluation (NDE), and inspection. We strive to provide a world-class membership experience with valuable member benefits to enhance the careers, knowledge, and lives of our members.

If you are a member, log into the member area of the CINDE website at <https://www.cinde.ca/members/> to access your services and benefits.
